Material Bursting Strength:

2500.000 pounds

Material And Location:

Cloth, polyester fiber webbing

Component Length:

540.0 meters webbing

Product Name:

Cargo netting, driver's storage box

Special Features:

Webbing is resin treated polyester for improved abrasion resistance and is sewn together to form a cargo netting with dimensions of 5.4 x 4.25 meters

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T101-I
