Furnished Hardware:

S hook each end

End Application:

5895-01-472-6487

Material And Location:

Steel connector snap err-100 err-100

Component Length:

12.000 feet strap

Component Width:

1.000 inches strap

Tightening Device:

Ratchet buckle assembly

Product Name:

Ratchet buckle webbing assembly

Special Features:

Steel parts finished yellow zinc dichromate; sewn ratchet buckle; 333 pounds safe work load

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T101-I
