**Overall Length:**

48.000 inches

**Overall Height:**

30.000 inches

**Overall Width:**

40.000 inches

**Face Construction:**

Solid

**Lift Fork Entryway Quantity:**

2

**Platform Side Design:**

Flush

**Side Panel Construction Type:**

Solid

**Product Name:**

Re-useable, collapsable bulk box with lid

**Special Features:**

Corugated material; camaflouge color; weather resistant (plastic composite) finish

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T160-b
