Overall Width:

Between 27.870 inches and 28.250 inches

Assembly Method:

Welded

End Application:

Shielder

Product Name:

Pallet, special 56 x 28, sheet metal

Special Features:

Protective finish: shall be in accordance with drw ac200000423. Color shall be green no. 383 per mil-c-46168 (34094 per fed-std-595).

Marking paint shall be in accordance with drw. Ac200000423 with the color being white no. 37875 per fed-std-595 (0.50 inch high letters).

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T160-b
