Overall Length:

46.38 inches

Overall Width:

12.0 inches

End Application:

4910-01-539-6129

Product Name:

Ramp carriage floor plate

Material:

Aluminum alloy

Supplementary Features:

height is 0.83 inch

Specification Data:

Asme y14.100-2004 professional/industrial association specification and asme y14.5-2009 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T160-d
