Overall Length:

166.0 inches

Overall Width:

3.75 inches

End Application:

4910-01-539-6129

Platform:

Not included

Product Name:

14' ramp right side rail

Material:

Aluminum alloy

Specification Data:

Asme14.100-2004 professional/industrial association specification and asme y14.5-2009 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T160-d
