End Application:

2350-01-305-0028

Component Length:

6.00 feet strap and 6.17 feet strap

Component Width:

1.0 inches strap

Tightening Device:

Ratchet buckle assembly

Product Name:

Strap, ratchet

Special Features:

Material; webbing, nylon, type xvii, class 1 or 1a, per specification mil-w-4088

Supplementary Features:

Color is olive drab 7

Specification Data:

Asme y14.100-2004 professional/industrial association specification and asmey14.5m-1994 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T101-I
