Overall Length:

16.000 feet

Diameter:

0.469 inches stock

End Application:

Mortar w/bipod (m285)

Attachment Style:

Pear shaped link terminal attachment first end

End Type:

Terminal attachment both ends

Breaking Strength:

20700.000 pounds

Material:

Steel comp 1010 chain

Material Specification:

Astm a575 assn standard single material response chain

Style Designator:

Long link

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
