Overall Length:

4.373 feet

Diameter:

0.187 inches rope

Lay Method:

Right regular all layers

Attachment Style:

Swaging terminal terminal attachment second end

End Type:

Terminal attachment both ends

Breaking Strength:

4200.0 pounds

Core Construction:

Wire

Prefabrication Form:

Preformed

Material:

Stainless steel wire rope

Surface Treatment:

Passivate all attachments

Style Designator:

7 x 19

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
