Overall Length:

2.310 feet

Diameter:

0.062 inches rope

Lay Method:

Right lang all layers

Breaking Strength:

350.000 pounds

Core Construction:

Wire

Prefabrication Form:

Straight

Special Features:

Ball terminal attached to each end, and one ball in center

Material:

Stainless steel

Style Designator:

7 x 7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
