Overall Length:

357.000 feet

Diameter:

0.750 inches rope

Lay Method:

Right regular all layers

Attachment Style:

Hoist hook first end

End Type:

Plain second end

Breaking Strength:

24960.0 pounds

Core Construction:

Wire

Prefabrication Form:

Preformed

End Conditioning Method:

Seized

Material:

Steel

Style Designator:

6 x 12

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
