**Diameter:**

0.375 inches strand

**Breaking Strength:**

10800.000 pounds

**Prefabrication Form:**

Straight

**Material:**

Steel

**Surface Treatment:**

Zinc

**Style Designator:**

7 wires

**Specification Data:**

81346-a475-69 professional/industrial association specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A082a0
