**Lay Method:**

Right regular all layers

**Prefabrication Form:**

Preformed

**Special Features:**

Nylon covered to 0.125 in. Dia

**Material:**

Steel core

**Material Specification:**

Mil-w-5424 military specification single material response strand

**Style Designator:**

7 x 7

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A082a0

**Mil-std (military Standard):**

Mil-w-5424 spec.
