Lay Method:

Right regular all layers

Prefabrication Form:

Preformed

Special Features:

Nylon covered to 0.125 in. Dia

Material:

Steel core

Material Specification:

Mil-w-5424 military specification single material response strand

Style Designator:

7 x 7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0

Mil-std (military Standard):

Mil-w-5424 spec.
