Diameter:

0.750 inches stock

Breaking Strength:

77000.000 pounds

Safe Operating Load Rating:

46000.000 pounds

Special Features:

0.750 in. Nom material diameter of links

Material:

Steel terminal attachment first end

Style Designator:

Proof coil

Reference Number Differentiating Characteristics:

Item 5

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
