**Overall Length:**

20.000 feet

**Diameter:**

0.750 inches stock

**Breaking Strength:**

46000.000 pounds

**Safe Operating Load Rating:**

23000.000 pounds

**Special Features:**

0.750 in. Nom material diameter of links

**Material:**

Steel terminal attachment first end

**Style Designator:**

Proof coil

**Reference Number Differentiating Characteristics:**

Items 6 and 7

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A082a0
