Fabrication Method:

Forged

Overall Length:

Between 9.417 feet and 10.167 feet

Diameter:

0.375 inches stock

Attachment Style:

Hoist hook both ends

End Type:

Terminal attachment both ends

Breaking Strength:

21000.000 pounds

Safe Operating Load Rating:

12500.000 pounds

Material:

Steel

Style Designator:

Close link

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
