Overall Length:

90.000 feet

Diameter:

1.750 inches stock

Breaking Strength:

173000.000 pounds

Material:

Steel comp 1010

Surface Treatment:

Zinc

Style Designator:

Long link

Specification Or Standard:

1 3/4in size

Fsc Application Data:

Bridle and mooring chain for buoys

Reference Number Differentiating Characteristics:

As differentiated by cable diameter requirement

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
