Welded Chain - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4010-00-729-5926

Overall Length:
90.000 feet
Diameter:
1.750 inches stock
Breaking Strength:
173000.000 pounds
Material:
Steel comp 1010
Surface Treatment:
Zinc
Style Designator:
Long link
Specification Or Standard:
1 3/4in size
Fsc Application Data:
Bridle and mooring chain for buoys
Reference Number Differentiating Characteristics:
As differentiated by cable diameter requirement
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A082a0
