# Overall Length:

7.865 feet

## Diameter:

0.094 inches rope

# Attachment Style:

Stud terminal terminal attachment second end

#### End Type:

Terminal attachment both ends

#### **Prefabrication Form:**

Preformed

#### Material:

Steel comp 302 core

#### Material Specification:

Mil-w-5424 military specification single material response core

#### Style Designator:

7 x 19

# Shelf Life:

N/a

# Unit Of Measure:

---

### Demilitarization:

No

# Fiig:

A082a0

# Mil-std (military Standard):

Mil-w-5424 spec.
