Overall Length:

9.625 feet

Diameter:

0.094 inches rope

Attachment Style:

Stud terminal terminal attachment second end

End Type:

Terminal attachment both ends

Prefabrication Form:

Preformed

Material:

Steel comp 302 core

Material Specification:

Mil-w-5424 military specification single material response core

Style Designator:

7 x 19

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0

Mil-std (military Standard):

Mil-w-5424 spec.
