Overall Length:

204.000 feet

Diameter:

0.625 inches rope

Lay Method:

Right regular all layers

Attachment Style:

Hoist hook first end

End Type:

Terminal attachment both ends

Breaking Strength:

295.0 pounds

Core Construction:

Wire

Prefabrication Form:

Preformed

Material:

Steel

Style Designator:

6 x 12

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
