Diameter:

0.250 inches stock

End Application:

Type i class 1

Breaking Strength:

11000.000 pounds

Safe Operating Load Rating:

3250.000 pounds

Material:

Steel

Surface Treatment:

Zinc

Style Designator:

Close link

Specification Or Standard:

1 type and c grade and 1 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
