Inside Length:

3.750 inches

Material Diameter:

0.625 inches

Criticality Code Justification:

Zzzy

Safe Operating Load Rating:

4200.000 pounds

Material:

Steel

Style Designator:

Pear shaped

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
