Overall Length:

3.937 feet

Diameter:

0.125 inches rope

Lay Method:

Left lang all layers or left regular all layers or right lang all layers or right regular all layers

Breaking Strength:

2000.0 pounds

Core Construction:

Wire

Prefabrication Form:

Preformed

Material:

Steel strand

Style Designator:

7 x 19

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
