Single Leg Chain Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4010-01-086-4077

Criticality Code Justification:
Zzzy
Safe Operating Load Rating:
6600.000 pounds
Reference Number Differentiating Characteristics:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A082a0
