Diameter:

0.250 inches rope

Lay Method:

Right regular all layers

Breaking Strength:

7000.000 pounds

Prefabrication Form:

Preformed

Special Features:

0.312 in. Diameter after coating

Material:

Steel strand

Style Designator:

7 x 7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
