Overall Length:

268.000 feet

Diameter:

1.500 inches rope

Lay Method:

Right lang all layers

Breaking Strength:

238000.0 pounds

Core Construction:

Fiber

Prefabrication Form:

Preformed

Special Features:

Prestressed to 40 per cent of breaking strength

Material:

Steel improved plow strand

Style Designator:

6 x 27

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
