Diameter:

0.160 inches stock and 0.164 inches stock

Breaking Strength:

1560.000 pounds

Safe Operating Load Rating:

390.000 pounds

Material Specification:

Qq-w-461 federal specification all material responses

Surface Treatment:

Cadmium

Style Designator:

Crane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
