Overall Length:

1000.000 feet

Diameter:

0.312 inches rope

Lay Method:

Right regular all layers

Breaking Strength:

9000.000 pounds

Core Construction:

Wire

Prefabrication Form:

Preformed

Special Features:

0.437 in. Diameter after coating

Material:

Stainless steel strand

Style Designator:

7 x 19

Specification Or Standard:

??Comp b type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
