Fabrication Method:

Formed

Overall Length:

1.000 feet

Thickness:

0.023 inches

Attachment Style:

Split triangular link second end

End Type:

Terminal attachment second end

Special Features:

First end has no attachments

Material:

Stainless steel

Style Designator:

Safety-plumbers

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
