Overall Length:

2.500 feet

Thickness:

0.035 inches

Breaking Strength:

700.0 pounds

Material:

Stainless steel

Surface Treatment:

Passivate

Style Designator:

Ce10070

Specification Data:

80205-nas1455 professional/industrial association standard

Specification Or Standard:

2 type and 4 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
