Overall Length:

1000.000 feet

Diameter:

0.875 inches rope

Lay Method:

Right regular outer layer

Breaking Strength:

66500.0 pounds

Core Construction:

Independent wire rope

Prefabrication Form:

Preformed

Material:

Steel

Surface Treatment:

Tin or zinc or tin and zinc

Style Designator:

7 x 19

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
