Diameter:

0.250 inches rope

Lay Method:

Right regular all layers

Breaking Strength:

4200.0 pounds

Core Construction:

Independent wire rope

Prefabrication Form:

Preformed

Special Features:

Wire rope, flexible, jacketed

Material:

Steel

Style Designator:

7 x 19

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
