Overall Length:

250.000 feet

Diameter:

0.250 inches rope

Lay Method:

Right regular all layers

Breaking Strength:

5400.0 pounds

Core Construction:

Independent wire rope

Special Features:

Uncoated

Material:

Stainless steel

Departure From Cited Document:

As modified by material

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
