**Overall Length:**

30.000 feet

**Diameter:**

0.500 inches rope

**End Application:**

Ordnance handling equip for air activities

**Lay Method:**

Right regular all layers

**End Type:**

Loop first endloop second end

**Loop Retention Method:**

Splice and swage

**Material:**

Steel plow wire rope

**Surface Treatment:**

Zinc wire rope

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A082a0
