Special Features:

Material diameter 0.660 ins; 2 holes 0.656 ins dia, with slots 0.219 ins wide

Material:

Steel comp 316

Material Specification:

Qq-s-766, cond a federal specification single material response

Style Designator:

Stud

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
