**Overall Length:**

0.500 feet

**Diameter:**

0.063 inches rope

**Lay Method:**

Right regular all layers

**Core Construction:**

Wire

**Prefabrication Form:**

Preformed

**Special Features:**

0.125 in. Diameter after strand covering

**Material:**

Steel

**Material Specification:**

Mil-w-83420, ty2, compb military specification single material response

**Surface Treatment:**

Plastic polyamide

**Style Designator:**

7 x 7

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A082a0

**Mil-std (military Standard):**

Mil-w-83420 spec.
