Overall Length:

7.500 feet

Diameter:

0.063 inches rope

Lay Method:

Left lang all layers

End Type:

Plain first end

Breaking Strength:

110.0 pounds

Core Construction:

Independent wire rope

Prefabrication Form:

Straight

End Conditioning Method:

Seized

Material:

Stainless steel

Style Designator:

7 x 7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
