Overall Length:

0.500 feet

Diameter:

0.125 inches rope

End Application:

Nsn 2320013539098, truck chassis

Lay Method:

Right regular all layers

Breaking Strength:

480.0 pounds

Special Features:

1st end is a loop and 2nd end is a terminal attachment

Material:

Stainless steel

Style Designator:

7 x 7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
