Overall Length:

75.000 feet

Diameter:

0.625 inches rope

End Application:

Davit boom and turret assembly

Core Construction:

Independent wire rope

Proof Test Load:

16480.000 pounds

Special Features:

6 x 36 iwrc assembly with open spelter socket on one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
