End Application:

NHA2-53-001-4208

Product Name:

Tether, strainer

Special Features:

Also called chain and toggle assembly; assembly c/o 10 in. Chain and 8 in long toggle bar

Material:

Steel chain

Surface Treatment:

Zinc chain

Surface Treatment Specification:

Astmb633 national specification single treatment response chain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
