Overall Length:

2.167 feet

Diameter:

0.062 inches rope

End Application:

Cass

End Type:

Loop all attachments

Core Construction:

Independent wire rope

Material:

Stainless steel wire rope

Material Specification:

Mil-w-83420 military specification single material response wire rope

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0

Mil-std (military Standard):

Mil-w-83420 spec.
