Overall Length:

1.417 feet

Diameter:

0.125 inches rope

Lay Method:

Left lang all layers

Attachment Style:

Single shank both ends

End Type:

Terminal attachment all attachments

Breaking Strength:

920.0 pounds

Core Construction:

Independent wire rope

Prefabrication Form:

Preformed

Proof Test Load:

736.000 pounds

Material:

Stainless steel

Style Designator:

7 x 19

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
