Overall Length:
50.750 feet
End Application:
Truck, dump, nsn 2320013544529
Special Features:
Type 1, class 2, trade size, 3/8 inch diameter
Material:
Steel
Material Specification:
Astm-a576 assn standard single material response and rr-c-271 federal specification single material response
Style Designator:
Crane
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A082a0
