Overall Length:

0.500 feet

Thickness:

0.018 inches

End Application:

5340-01-487-7760

Attachment Style:

S hook both ends

End Type:

Terminal attachment both ends

Breaking Strength:

125.0 pounds

Product Name:

Assembly s hook and chain stainless

Material:

Steel comp 302

Material Specification:

Rr-c-271 type ii class 6 federal specification single material response

Style Designator:

Ce10069

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
