Overall Length:

5.417 feet

Diameter:

5.500 inches rope

End Application:

Weapons support equipment

Core Construction:

Independent wire rope

Prefabrication Form:

Straight

Product Name:

Lanyard

Material:

Steel

Style Designator:

7 x 7

Specification Data:

76301 - 9-59 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
