End Application:

NSN:-49-300-1517

Product Name:

Wire rope

Special Features:

Wire rope steel corrosion resistant nylon coated in accordance with mil-w-83420d, type 2, condition b

Material:

Steel

Specification Data:

81349 - mil-w-83420d government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
