Overall Length:

110.000 feet

Diameter:

0.750 inches strand

End Application:

Rib rescue boat stow and handling

Core Construction:

Independent wire rope

Product Name:

(inavy) wire rope

Special Features:

Wire rope, 3/4" 6 x 37, iwrc extra improved plow steel (ungalvanized). Drawing stats that item is open spelter socket first end

Material:

Steel wire rope

Style Designator:

6 x 37

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
