Overall Length:

59.000 feet

Diameter:

0.125 inches rope

End Application:

Misc parts outfit x furnishing lpd 0019

Lay Method:

Right regular all layers

Breaking Strength:

1700.0 pounds

Core Construction:

Independent wire rope

Prefabrication Form:

Preformed

Product Name:

Wire rope, plain

Special Features:

Approx bend radius 2-5/8 inch, recommended drum/pulley tread diameter 5-1/4 inch, preformed and unlubricated

Material:

Steel comp 302 wire rope

Style Designator:

7 x 7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
